

RB/L&A/004/2012

**Government of India  
Ministry of Railways  
(Railway Board)**

No. 2012/LM(PA)/02/072

New Delhi, Dt. 15/06/2012

General Manager  
All Zonal Railways.

**Sub:- Provision of Push-cock type on water booths at Platforms.**

It has been observed that water is wasted on platforms of Railway stations due to leakage of taps and leaving taps open after use by passengers. The matter has been considered in Board's office and it has been decided that Railway shall provide **push-cock** type taps only on water booths at platforms whenever they are newly constructed or they are being replaced due to age/condition basis in order to check wastage of water.

Please acknowledge receipt.
