**प्राधिकार :-** Approval of the Competent Authority.

Privately owned Electronic in motion Weighbridge was installed at M/s Bhilai Jaypee Cement Ltd. Babupur Stana Siding (BJCS) served by Sakaria Station of JBP Division and notified vide WCR ARN no. 37 of 2016 (Goods). This WB is out of order from 05.08.2024, for want of Weights and Measurement certificate. Due failure of BJCS weighbridge since long, JBP division with approval of DRM/JBP has proposed to de-notify this EIMWB.

Now the competent authority has decided that the **BJCS Electronic in-motion weighbridge is de-notified for weighing of all rakes with immediate effect.**

Till the Re/New Notification of BJCS Weighbridge, Railway owned STA EIMWB will work as Associate Weighbridge for Rakes Loaded from BJCS siding.

All terms and conditions laid down in Rates Master Circular and its Corrigendum under reference (ii) should be followed strictly and as amended from time to time will be applicable.

This has approval of competent authority.

**West Central Railway**

अग्रिम दर अधिसूचना क्र 13 वर्ष 2025 (माल भाड़ा)

**Advance Rates Notification No. 13 of 2025 (Goods)**

**Sub:- Freight rate for Rail-Sea-Rail (RSR) movement of Domestic Coal.**

**Authority: - Railway Board letter No. TCR/1078/2022/Coal/RSR/3415190 dated 25.02.2025.  
(Rates Circular No. 03 of 2025)**

रेलवे बोर्ड के प्राधिकृत पत्र द्वारा प्रसारित अनुदेश निम्नानुसार हैं :-

It is a fact that movement of domestic Coal from mines has been taking place through Rail-Sea-Rail (RSR) route in order to meet the demand of various power plants. This involves movement of coal by rail in two legs i.e. from mines to Unloading Port as first leg and from subsequent Loading Port to power plants as second leg. As a matter of policy, the charging of both the legs of rail transportation is done separately and independently. The matter regarding grant of telescopic benefit in freight rate by treating both legs of rail movement as one has been under consideration from some time.

2.0 This issue has been considered and it has now been decided to permit telescopic benefit in freight rate to the coal traffic destined to the power houses transported through RSR mode from coal mines of CIL and its subsidiaries/PSUs. This will be implemented as a pilot project for a period of three years. This shall be subject to certain conditions stated as under:

3.1 The destination of the first leg will be a port on eastern coast, whereas originating point of second leg will be port on southern/western coast. The destination of second leg will be Central & State Gencos.

3.2 Specific O-D pairs for both first leg and second leg will be notified by Traffic Transportation Directorate of Railway Board.

3.3 Consignee of the first leg and consignor & consignee of the second leg should be same (i.e. Central & State Gencos).

3.4 It has to be ensured that volume of traffic moved in first leg is matched with the volume of traffic moved in second leg.

3.5 RR for first leg will be issued by levying freight at normal rate. For second leg, separate RR will be issued with benefit of telescopic principle duly cross referencing the RRs of the first leg in the second leg RRs.

3.6 While calculating the freight for second leg duly giving telescopic benefit, the freight for the combined distance of first leg and second leg will be calculated. After that the freight rate of the first leg will be deducted from the freight for combined distance of both the legs which will give the applicable freight for second leg. Accordingly, the RR of the second leg will be prepared.

Illustration for the above is given in the following table:

• • • • • 4/2/25

Say, OD pair of first leg is A (Colliery siding) and B (Eastern Port). The distance between A & B i.e. of first leg is 200 KM. OD pair of Second leg is C (Southern/Western Port) and D (Power Plant) and distance between C & D i.e. of second leg is 300 KM. The calculation of discount on rail freight for such RSR movement will be as under:

Wagon type BOXN	PCC (T)	68
	wagons in a rake	59
First leg	Distance (KM)	200
	Freight per tonne (₹)	532.2

Para 3.4.1	In case excessive congestion takes place at any terminal/steel plant, PCCM/PCOM/DRM can increase the demurrage rates, even at progressively increasing rate, subject to maximum of six times of the prevalent base rate. This penal demurrage rates should be implemented only after giving wide publicity(including through SMS/email) and due notice at terminal of 24 hours and should be applicable for the notified period.	Deleted
Para 3.4.2	The rates can be increased by say, 2 times or 3 times or so on, and not necessarily six times at one go in all cases. In fact, Railway may decide to levy variable rates like 2 times for first three hours detention, 3 times for next twelve hours detentions and so on and so forth. Railway must judiciously evaluate the situation and the rates should be increased on merit to the extent considered justified. Levy of six times rate should be resorted only when the situation becomes very alarming.	Deleted

All other extant guidelines vide Corrigendum No.32 of Rates Master Circular/Demurrage-Wharfage-Waiver/2016/0 hold good.

Further to state that guidelines for waiver of Demurrage will continue to be applicable as per existing SOP. In the context of waiver, Para 2.11 of Corrigendum No.32 of Rates Master Circular/Demurrage-Wharfage-Waiver/2016/0 is reiterated which states that application of waiver of Demurrage shall be entertained only for the cases where circumstances fall within condition given in Para 2.9 i.e. those which are not within the control of consignor/consignee and on account of Act of God, Act of War and Act of Public Enemies. Recording of reasons of waiver in the form of a reasoned speaking order shall be compulsory for all the cases of waiver irrespective of the quantum of waiver. This instruction will be applicable for all types of Demurrage including Penal Demurrage.

These guidelines will be applicable w.e.f.01.04.2025, for a period of one year i.e. upto 31.03.2026.

Zonal Railways will furnish their feedback by December, 2025 for review.

**Authority:-Railway Board letter no. TCR/1644/2020/01/3329133 dated 28.03.2025.**

**( Rates Circular no. 06 of 2025)**

रेलवे बोर्ड के प्राधिकृत पत्र द्वारा प्रसारित अनुदेश निम्नानुसार हैं :-

1. Reference above, sanctions were accorded to grant rebate in freight for Caustic Soda Liquor/ Caustic Soda/ Caustic Soda Lye; Alumina; Furnace Oil; Ammonia (anhydrous liquefied gas); Phosphoric acid; and Bulk Cement when loaded and transported in privately owned wagons.

2. In terms of Rates Circular No. 08 of 2024, the rebate was accorded for the period beyond 31.03.2024 and valid up to 31.03.2025.

3. Matter has been reviewed and it has been decided by the Competent Authority to revise the percentage of rebate as under:

Commodity	% rebate	
	TL	WL
Caustic soda liquor	7.7	7.0
Caustic soda	7.7	7.0
Caustic soda lye	7.7	7.0
Alumina	6.0	5.5
Furnace oil	6.5	5.9
Ammonia (anhydrous liquefied gas)	5.4	4.9
Phosphoric acid	5.4	4.9
Bulk cement	8.4	7.7

4. The grant of rebate will be subject to amendment in the existing agreement with the respective wagon owner(s) clearly mentioning the total number of privately owned wagons; their ownership; their codal life; and stipulation regarding ownership of wagon after completion of codal life of wagon.

5. The rebate will be continued till the codal life of the wagons and will be granted only on mechanically and functionally fit wagons. Any new wagon should only be procured under any new prevalent scheme(s).

6. The rebate will not be applicable for the commodities mentioned herein above when transported in wagons which are availing concession against their procurement under any investment scheme like WIS, LWIS, SFTO, LSFTO, GPWIS etc.

7. FOIS should take necessary safeguards to ensure that rebate mentioned herein above is not given concurrently with specific rebate given for other scheme like WIS, LWIS, SFTO, LSFTO, GPWIS etc. Mechanism should be developed to insert flag of this check in TMS/FOIS, and that should also be checked at frequent interval.

8. All other terms and conditions as stipulated in above referred Rates Circulars will continue to apply unchanged.

9. These instructions shall come into force with effect from 01.04.2025 and shall remain valid till 31.03.2026.

रेलवे बोर्ड के प्राधिकृत पत्र द्वारा प्रसारित अनुदेश निम्नानुसार हैं :-

Please refer to Board's Circular under reference (i) regarding registration of demand for wagons electronically (eRD).

In terms of Board's letter under reference (ii), Board has approved implementation of direct indenting system for movement of Imported Coal.

The matter has been examined and it has been decided to prescribe following guidelines for placing demand for wagons in case of Imported Coal/Coke by inserting an additional Para 7.9 in the Board's circular under reference (i), as given below-

**“7.9: Submission of Bill of Entry (BE) while placing indent for wagons electronically in case of Imported Coal/Coke**

- a. Customers interested to place indent for Imported Coal/Coke should register themselves under e-RD Module of FOIS.
- b. Indent can be placed after feeding Bill of Entry (BE) details in the e-RD module. The customer will feed BE details (e.g. Country of Origin, Domestic Port Name, Imported Coal/Imported Coke, BE number, date of issue, name of BE owner/Customer, Total BE Quantity) and upload BE document on e-RD module. BE details will not be changed after registration of indent.
- c. The cross checking of quantities shall be done with respect to the details of Bill of Entry in e-RD system which have been fed in by the customer
- d. Registration of demand shall be backed by a declaration by the customer specifically mentioning details of Bill of Entry and the quantities mentioned in the Bill of Entry. The customer has to ensure that there is no misdeclaration especially about the quantities out of the total to be transported by Railways. In case of any misdeclaration, Railways will cancel the indent(s) and forfeit the WRF. The customer will be responsible for ensuring that all the custom/taxation/other statutory regulations have been followed for Imported Coal/Coke in case of Direct Indenting through Bill of Entry.
- e. Multiple indents can be placed against a BE subject to the condition that cumulative tonnage quantity of all such indents should not exceed the quantity mentioned in the BE. However, multiple BEs of remaining balance can be linked for a rake size/quantity to one Indent. System will allow for rake size on the basis of BE quantities @ 3894MT for Imported Coal and @ 2500MT for Imported Coke. Indent will be placed by the customer whose name is mentioned in the BE.
- f. Indent placed by the customer will be valid till supply of rakes or cancellation of indent.
- g. Quantity of BE will be maintained by the system automatically. In case of cancellation of indent, the quantity to be returned back to the BE so that fresh indent can be placed against that quantity.

- h. If customer wants to change the destination, the corresponding indent(s) have to be cancelled by the customer and a fresh indent may be placed for the desired destination. Customer may lose the previous seniority in case of cancellation of indent.
- i. Customer will have the facility to place indent(s) from multiple sidings within a port against one BE having more than one rake quantity/balance available in the BE.
- j. Coastal BE to capture coastal traffic from one port to another shall be uploaded with different BE Details.
- k. Difference of indented quantity and actual loaded quantity should also be reconciled electronically against the BE.
- l. Direct supply of rakes will be done against the indent placed against the verified BE and no separate allotment in RAS will be required.
- m. Extant guidelines regarding Wagon Registration Fee and its forfeiture will continue to be applicable in case of Imported Coal/Coke traffic.
- n. Direct indent may also be allowed on the basis of stock sale documents. For such cases Proforma Invoice (PI) mentioning details of BE alongwith details of seller & buyer which should be certified by port authority against connecting BE should be uploaded in addition to BE copy. For indenting in such cases separate field of "stock sale" to be opened by the customer to fill such details in system. Buyer owning the stock as mentioned in PI may submit the indent to the concerned Port Siding. Quantity will be adjusted automatically through the system.
- o. Siding owner who are registered under e-RD module may submit direct indent as a consignor in favour of BE owner as a consignee. Such facility will be allowed for all Zonal Railways. BE document will be uploaded in the system by the siding owner at the time of indenting.
- p. The verification of BE details by CGS/Goods Clerk is to be done on real time basis as and when the same is uploaded. However, the responsibility of authenticity of BE documents lies with the customer only. This will facilitate decision on rake allotment and rake movement efficiently.
- q. With the roll out of e-RD module of Direct Indenting in Imported Coal/Coke on 01.04.2025, all such BE against which any/part sanction has already been obtained from Zonal Railways will not be accepted through the Direct Indenting Mode and existing method of sanction for residual quantity shall continue. If residual quantity against old BE is lying or rake gets lapsed, Zonal Railways will issue a Reconciled ID bearing BE details which will be accepted by the new e-RD module.

This issues in consultation with Traffic Transportation and Finance Directorates of Ministry of Railways.

- f. Indent placed by the customer will be valid till supply of rakes or cancellation of indent.
- g. Quantity of BE will be maintained by the system automatically. In case of cancellation of indent, the quantity to be returned back to the BE so that fresh indent can be placed against that quantity.

- h. If customer wants to change the destination, the corresponding indent(s) have to be cancelled by the customer and a fresh indent may be placed for the desired destination. Customer may lose the previous seniority in case of cancellation of indent.
- i. Customer will have the facility to place indent(s) from multiple sidings within a port against one BE having more than one rake quantity/balance available in the BE.
- j. Coastal BE to capture coastal traffic from one port to another shall be uploaded with different BE Details.
- k. Difference of indented quantity and actual loaded quantity should also be reconciled electronically against the BE.
- l. Direct supply of rakes will be done against the indent placed against the verified BE and no separate allotment in RAS will be required.
- m. Extant guidelines regarding Wagon Registration Fee and its forfeiture will continue to be applicable in case of Imported Coal/Coke traffic.
- n. Direct indent may also be allowed on the basis of stock sale documents. For such cases Proforma Invoice (PI) mentioning details of BE alongwith details of seller & buyer which should be certified by port authority against connecting BE should be uploaded in addition to BE copy. For indenting in such cases separate field of "stock sale" to be opened by the customer to fill such details in system. Buyer owning the stock as mentioned in PI may submit the indent to the concerned Port Siding. Quantity will be adjusted automatically through the system.
- o. Siding owner who are registered under e-RD module may submit direct indent as a consignor in favour of BE owner as a consignee. Such facility will be allowed for all Zonal Railways. BE document will be uploaded in the system by the siding owner at the time of indenting.
- p. The verification of BE details by CGS/Goods Clerk is to be done on real time basis as and when the same is uploaded. However, the responsibility of authenticity of BE documents lies with the customer only. This will facilitate decision on rake allotment and rake movement efficiently.
- q. With the roll out of e-RD module of Direct Indenting in Imported Coal/Coke on 01.04.2025, all such BE against which any/part sanction has already been obtained from Zonal Railways will not be accepted through the Direct Indenting Mode and existing method of sanction for residual quantity shall continue. If residual quantity against old BE is lying or rake gets lapsed, Zonal Railways will issue a Reconciled ID bearing BE details which will be accepted by the new e-RD module.

This issues in consultation with Traffic Transportation and Finance Directorates of Ministry of Railways.

रेलवे बोर्ड के प्राधिकृत पत्र द्वारा प्रसारित अनुदेश निम्नानुसार हैं :-

Guidelines regarding waiver/write off of Demurrage/Wharfage are prescribed vide Board's circulars/letters under reference.

The matter has been reviewed and it has been decided (i) to change the SOP for waiver and (ii) to modify the circumstances for considering application/appeal. Accordingly, in supersession of all earlier instructions/circulars, the revised guidelines are given below-

Para

**GUIDELINES****1.0 Power of officers to waive Demurrage or Wharfage charge**

	Designation of officer	Maximum amount of Demurrage per wagons, which can be considered by an officer	Maximum amount of Wharfage per consignment, which can be considered by an officer
1	AGM	Full Powers	Full Powers
2	PCCM	₹1,00,000/-	₹1,00,000/-
3	HOD(CCM/FM or CCM/FS)	₹50,000/-	₹50,000/-
4	DRM	₹25,000/-	₹25,000/-
5	ADRM (nominated by DRM)	₹10,000/-	₹10,000/-

1.1 The powers of waiver of Wharfage indicated in the table above will be on consignment basis except in the case of trainload consignment where it will be applicable on per wagon basis. In the case of trainload consignment, the application for waiver of Wharfage for a particular rake will be considered by the authority, who is competent to deal with the highest amount of Wharfage accrued per wagon of that rake.

1.2 Where Demurrage cases are being handled by Officers of Operating Department, PCCM will mean PCOM.

1.3 The cases for waiver should not be dealt by an officer below the level of an officer competent to deal with the case as per the schedule of powers given in the above table. Say, PCCM will not deal with such case where AGM is the competent authority. Since waiver of Demurrage/Wharfage is discretionary power, PCCM cannot recommend percentage of waiver, instead, he will only put up facts of the case and give his remarks on the customer's application/appeal.

- 1.4 Prior Finance concurrence will be required for waiver of Demurrage/Wharfage charges above Rs.25,000/- per wagon/per consignment respectively. Cases submitted to AGM should be routed through the Coordinating HOD of the Commercial Department and PFA of the Zonal Railways, irrespective of the amount involved.
- 2.0 **Waiver**
- 2.1 Due care should be taken in preparation of the Demurrage/Wharfage bills at the first instance to obviate recasting of bills subsequently on representation by the customer or otherwise.
- 2.2 In case the consignor/consignee feels that Demurrage/Wharfage was due to reasons beyond his control, he could apply for waiver (on FBD Portal) giving all relevant details with documentary evidence wherever necessary.
- 2.3 First application for waiver of Demurrage/Wharfage should be submitted to the Station Manager/Goods Supervisor within 10(ten) days from the date upto which these charges had accrued.
- 2.4 In case of Wharfage, the consignor/consignee should deposit the amount of Wharfage charges and submit the original proof of such payment alongwith his application while preferring for waiver. Pre-payment of wharfage will be ensured before delivery of the consignment.
- 2.5 The concerned Station Manager/Chief Goods Supervisor will forward the application of waiver of Demurrage/Wharfage to the Divisional Officer together with the factual position and remarks within 3(three) days of the receipt of the application.
- 2.6 In case of large sidings, like those of power houses, steel plants etc., the time limit for preferring the first application for waiver of Demurrage Charge will be the next month implying that application for waiver of Demurrage Charges accrued in one month should be submitted latest within the next month.
- 2.7 Application for waiver will be considered only when preferred within the stipulated time period. In case of Demurrage, the consignor/consignee should deposit the amount of Demurrage charges and submit the original proof of such payment along with his application while preferring application for waiver.
- 2.8 The circumstances, which lead to accrual of Demurrage/Wharfage charges, can be broadly grouped as under:
- (i) Reasons within the control of the consignor/consignee.
  - (ii) Force majeure condition (like Act of God, Act of War, Act of Public Enemies, Restriction(s) imposed by Local Administration/State Government, Local Festivals recognized by State Govt./Local Administration, Labour Strike, Transport Strike, general *bandh*, Agitations, Riots, Curfew, Fire, Explosion, Heavy Rains, Flood, etc.) OR Operational exigencies (like accident, congestion at a terminal, wagon damage, restriction imposed by railway administration, etc.).
- 2.9 There may be no waiver of Demurrage and Wharfage for cases where reasons for accrual of Demurrage/Wharfage have been within the control of consignor/consignee. Application(s) for waiver may be considered only in case of force majeure condition (like Act of God, Act of War, Act of Public Enemies, Restriction(s) imposed by Local Administration/State Government, Local Festivals recognized by State Govt./Local Administration, Labour Strike, Transport Strike, general *bandh*, Agitations, Riots, Curfew, Fire, Explosion, Heavy Rains, Flood, etc.) OR Operational exigencies (like accident, congestion at a terminal, wagon damage, restriction imposed by railway administration, etc.).

- 2.10 The powers for waiver as mentioned above should be exercised judiciously keeping in view the merits of each case as per instructions contained in this letter. The waiver should not be granted in a routine manner.
- 2.11 Application for waiver of Demurrage/Wharfage shall be entertained only for the cases where circumstances fall within condition given in Para 2.9. Recording of reasons of waiver in the form of a reasoned speaking order shall be compulsory for all the cases of waiver, irrespective of the quantum of waiver.
- 2.12 In the case of large sidings, like those of power-houses, where demurrage is not waived on wagon to wagon or daily basis, speaking orders need not be recorded for each consignment/wagon. It would be sufficient if broad reasons are given in support of such periodical waiver after analyzing the broad causes of such detentions.

### **3.0 Appeal against orders of Waiver**

- 3.1 A consignor/consignee can prefer an appeal to a higher authority (on FBD portal) in case he is not satisfied with the decision of the lower authority. The Station Manager/Chief Goods Superintendent should forward the appeal to the Divisional authorities within 3 (three) days of the receipt of the appeal.
- 3.2 An appeal against the order of lower authority should be preferred within 30(thirty) days of the date when the decision of the lower authority is communicated.
- 3.3 A maximum of only two appeals can be made against the decision of the lower authorities.
- 3.4 In all cases where a change is made by the appellate authority against the decision taken earlier, speaking orders should be recorded by the appellate authority.
- 3.5 AGM will be the final authority for consideration of application/appeal for waiver. No appeal will be entertained against the decision of AGM.
- 4.0 Processing of applications for waiver of demurrage and wharfage charges shall be done electronically. Demurrage and Wharfage collection and decision on waiver may be done in a time-bound manner. Each competent authority, as per the Schedule of Power, shall be required to decide on the request for waiver within a fixed time, and any failure to adhere to the time-lines shall be flagged by the system to the next higher authority.

The concerned ADRM will take adequate measure to ensure timely recovery of dues on account of Demurrage/Wharfage and clearance of outstanding.

### **5.0 Refund**

- 5.1 No direct refund of Demurrage/Wharfage charge should be made unless proper procedure for waiver as laid in this letter has been followed. While granting refund of Wharfage or Demurrage Charges, due cognizance should be taken of the quantum of waiver already allowed in each case.
- 5.2 For any refund of Wharfage or Demurrage, prior account verification as distinct from Finance concurrence is required to be done to establish that the amount to be refunded has actually been received by the Railway. Such refunds would be subject to post check by the Finance. No prior Finance concurrence would be required in these cases.
- 5.3 Refund of Demurrage/Wharfage Charge should be made expeditiously through conventional mode or online mode/E-payment system, as the case may be.

6.0 If it is felt that the rules for accrual/waiver of Demurrage/Wharfage Charge need review, the same should be recommended by the GM to Board's office with the observations of the associate Finance.

**7.0 Waiver of Stacking Charge**

Extant rules for waiver of Wharfage charge will continue to apply in the case of waiver of stacking charge also.

**8.0 Waiver of Stabling Charge**

Stabling Charge leviable on privately owned wagons or wagons procured under Own Your Wagon Scheme (Category 'C') should not be waived except to the extent of Force Majeure Conditions - viz. Act of God, Act of war or Act of public enemies.

**9.0 Write off of Demurrage/Wharfage**

The extant power of waiver of Demurrage/Wharfage charge is also applicable in case of write off of Demurrage/Wharfage charges. However, the write off should be done in exceptional cases and in extremely extenuating circumstances where chances of recovery are remote due to the fact that the defaulting party is not traceable, or has wound up his business, or has become insolvent, etc.

**10.0 Write off of Stacking Charge**

The guidelines regarding write off of Wharfage Charge is also applicable for write off of Stacking Charge.

**11.0 Delegation of power for waiver of Demurrage and Wharfage to DFCCIL**

Till Indian Railways is the sole operator on DFCCIL network; the extant guidelines regarding waiver of Demurrage and Wharfage will also be applicable to DFCCIL. The power for waiver/write off of Demurrage and Wharfage shall be exercised by the same level of DFCCIL officers, duly keeping in view the extant guidelines.

These guidelines will be implemented from 01.07.2025. Zonal Railways will furnish their feedback duly indicating its impact on traffic operation and business development, for review of these guidelines.

This issues in consultation with Freight Marketing Branch & Traffic Transportation Dte. and with the concurrence of Finance Dte. of Ministry of Railways.

अग्रिम दर अधिसूचना क्र 63 वर्ष 2025 (माल भाड़ा)

## Advance Rates Notification No. 63 of 2025 (Goods)

**Sub: - Incentive to enhance modal share of containerized traffic of Tiles.****Ref: - Rates Circular No. 04 of 2025 dated 11.03.2025****Authority: - Railway Board's letter No. TC-I/2020/302/efile (3333729) dated. 25.07.2025.****(Corrigendum No. 01 to Rates Circular No. 04 of 2025)**

रेलवे बोर्ड के प्राधिकृत पत्र द्वारा प्रसारित अनुदेश निम्नानुसार हैं :-

In terms of Board's above referred Circular dated 11.03.2025, instructions were issued to allow 50% discount in haulage charges of empty container returning to originating cluster after transporting the Tiles traffic to destination, for an initial period of 03 months from the date of issue.

The issue has been reviewed and it has been decided by the Competent Authority to re-introduce aforesaid instruction for a period upto 31.03.2026, subject to following modified conditions:

- Allowing mixed cargo container rake from any originating stations in the Morbi cluster with at least 50 TEUs containing tiles and balance TEUs with any other commodity generally permitted for carriage in containers.
- 50% discount shall be applicable on the empty haulage charges of the empty containers laden flat wagons which are returning to originating Morbi cluster from the destination. The rakes are permitted to return either in empty or mixed composition.
- Also, the above (Para ii) discount is applicable to alternate container rake of the same CTO, returning from the same destination to the originating Morbi cluster, in lieu of the original rake after its arrival at the destination. However, it shall be ensured that discount is given to any one of the rakes of concerned CTO is a single round trip.

CRIS/FOIS to make necessary module for implementation of these instructions.

All other terms and conditions stipulated in Rates Circular no. 4 of 2025 shall remain the same.

This issues in consultation with Traffic Transportation Directorate and with the concurrence of Finance Directorate of the Ministry of Railways.

अग्रिम दर अधिसूचना क्र 85 वर्ष 2025 (माल भाड़ा)

Advance Rates Notification No. 85 of 2025 (Goods)

**Sub: - Haulage charge for transportation of Bulk cement (cement in loose form) in Tank Containers.**

**Authority: -Railway Bd's letter No. TC-1/2020/302/efile(3333729/3514140) dated- 18.11.2025 (Corrigendum No. 60 of Rates Master Circular/CRT-CCR-Hub & Spoke/2015/0)**

रेलवे बोर्ड के प्राधिकृत पत्र द्वारा प्रसारित अनुदेश निम्नानुसार हैं :-

1.0 As per the extant guidelines, Bulk Cement (Cement in loose form) when transported in tank containers, is charged at Haulage Charge per TEU basis as per Corrigendum No.13 to Rates Master Circular/CRT-CCR-Hub&Spoke/2015/0. Further, a discount on empty haulage of specialized tank containers meant for transportation of Bulk Cement is granted @ 50% in the first year decreasing every year to 10% in the 5<sup>th</sup> year, as per Board's circular under reference (iii).

2.0 The matter has been reviewed. In order to attain a higher modal share of Bulk Cement in tank containers by making the Haulage Rate competitive with other modes of transport, it has been decided to adopt a rationalised and simplified Haulage Rate structure for charging of Bulk Cement transported in tank containers, as per the following:

- GTKM based charging of rail haulage of tank container train with Bulk Cement (cement in loose form) at a flat rate of ₹0.90 per tonne per kilometre (per GTKM) (without telescopic benefit).
- 50% rebate on empty haulage will only apply to specialized tank containers for transportation of Bulk Cement, which shall be applicable on full rake of empty tank containers in the return direction of the movement (booked Destination to Origin).
- Minimum distance of charge shall be 50 kilometres.
- No Busy Season Charge and Development Charge shall be leviable.

2.1 The Haulage Charges shall be calculated using following formula:

Total Haulage Charge of Bulk cement in tank container rake = Gross weight of Rake (Designed Tare Weight of Wagons+ Gross Weight of Containers) × Distance (km) × Rate per GTKM.

3.0 All other applicable commercial rules and regulations will continue to apply unchanged.

4.0 This issues in supersession of all relevant circulars issued with regard to Haulage Charges for Bulk Cement (cement in loose form) transported in tank containers.

5.0 These instructions shall come into force w.e.f.04.12.2025.

This issues with the approval of Competent Authority with Finance concurrence.

(Addendum to Rates Master Circular No. 36 of 2012 & rates Circular no. 07 of 2008)

रेलवे बोर्ड के प्राधिकृत पत्र द्वारा प्रसारित अनुदेश निम्नानुसार हैं :-

1.0. In a case on the above subject, Hon'ble Railway Claims Tribunal/Guwahati(RCT-GHY), held that NE Region concession and graded concession on salt traffic would be calculated separately and independently on Normal Tariff Rate(NTR), since these two issues are dealt by two independent circulars and not covered by the Freight Incentive circulars of RC 25 of 2007, RC 25 of 2008 and RC 62 of 2009.

2.0. The issue was further clarified vide Railway Board's letters of even no. dated 25.01.2023, 03.04.2023, 17.07.2023 and 20.11.2023.

3.0. The subject issue has been examined once again in Board's office and to make the above issue clear and in consonance with the spirit of the extant circulars, it is clarified that two or more simultaneous concessions will be applied one after the other on the reduced NTR rather than simultaneous application of concessions on original NTR.

4.0. This issues in consultation with Finance Directorate of Ministry of Railways.

- 2.0 The matter has been reviewed. It has been decided to issue revised Haulage Charge for transportation of Bulk Cement in tank containers, in supersession of corrigendum No.60 of Rates Master Circular/CRT-CCR-Hub&Spoke/2015/0, as per the following:
  - a) GTKM based charging of rail haulage of tank container train with Bulk Cement (cement in loose form) at a flat rate of ₹0.85 per tonne per kilometre (per GTKM) (without telescopic benefit).
  - b) 80% rebate on empty haulage will only apply to specialized tank containers for transportation of Bulk Cement, which shall be applicable on full rake of empty tank containers in the return direction of the movement (booked Destination to Origin).
  - c) Minimum distance of charge shall be 50 kilometres.
  - d) No Busy Season Charge and Development Charge shall be leviable.
- 2.1 The Haulage Charge shall be calculated using following formula:  
$$\text{Total Haulage Charge of Bulk cement in tank container rake} = \text{Gross weight of Rake (Designed Tare Weight of Wagons + Gross Weight of Containers)} \times \text{Distance (km)} \times \text{Rate per GTKM.}$$
- 3.0 All other applicable commercial rules and regulations will continue to apply unchanged.
- 4.0 This issues in supersession of all relevant circulars issued with regard to Haulage Charges for Bulk Cement (cement in loose form) transported in tank containers.
- 5.0 These instructions shall come into force w.e.f.01.01.2026.

This issues with the approval of Competent Authority with Finance concurrence.
